- Important contact information.

Three issues per year.

Inside:

E-waste Recycling	2
Covid – 19 Donation	2
Local Guides Training	4
Contact Information	5

DON'T MISS OUT ON OUR NIGHT MARKET

E-waste Recycling

OMD 2030 has collaborated with Namigreen an e-waste recycling company to further our efforts in creating a sustainable future for our town.

The project is co-sponsored by Spar, who will act as the designated drop-off point for batteries.

Due to limited space we cannot accept items larger than a standard microwave.

E-waste can only be dropped off during operating hours.

Weekdays: 09h00 – 16h00

Other drop off points in town are at ***Geckoprime technologies*** and ***Nashua***.

OMD 2030 AND SPAR ORANJEMUND OFFERS DROP OFF POINTS FOR ALL YOUR E-WASTE

SPAR - Batteries only
OMD 2030 - All electronics

Note:
No items larger than a standard microwave are accepted due to space restrictions.

E-waste can only be dropped off during operating hours.

Other drop-off points in Oranjemund

- Geckoprime technologies
- Nashua

Contact: info@omd2030.com or +264 63 23 4323

We accept the following E-waste types

- *Computers, laptops*
- *Servers, mainframes, telecom equipment*
- *Mobile phones*
 - *Smartphones*
 - *Fixed phones*
- *Printer, cartridges*
- *Fax machines*
- *CD-ROM drives*
- *hard disk drives*
- *Keyboard, mouse*
- *Tablet, iPad*
- *Kettles*
- *microwaves, household electricals*

Be a champion in the fight against Covid-19

JENNIFER NEHOYA

TONY BESSINGER

SUE COOPER

The social and economic challenges posed by covid-19 have left a need for basic essential equipment and materials in some areas of our community.

OMD 2030 has donated a sanitiser foot stand along with extra sanitiser liquid and stationery to the covid -19 testing centre.

Donation – A little goes a long way

L to R: Rosalinda Nakale (MoHSS), Debbie Virting (Operations Manager - OMD 2030)

Local Guide Training

Congratulations to the six trainee tour guides who took part in a two-part module course of a tailor-made Site Specific – Introduction to Nature Guiding Course during May early this year, and August.

The course was designed and facilitated by Edgar Naude from Nature Campus.

The group ended their training with a well-deserved excursion to the pomp huis to celebrate their achievements as the graduating group.

We would like to thank OMDis for co-sponsoring these tourism training sessions with us.

*“Not all
classrooms have
four walls.”*

L to R: Francios Karsten , Charne Witbooi Attie Stoltz, Edgar Naude (Trainer), Paswell Mberikuuashe, Dawid Bezuidenhoudt, Sue Cooper (OMD 2030 G.M), Tony Bessinger (OMDis), Vana /Uises (OTC) Ruben Andreas.

And Finally.....

We hope you have enjoyed reading our newsletter.

If you would like to know more about what we are currently involved with, come, and visit us at the Hub, follow us on social media, check out our YouTube channel for our latest videos, or visit our websites.

Please continue to look after yourselves, your loved ones, and your community by wearing your mask, observing social distancing, and washing your hands with soap and water, or using an alcohol-based sanitiser.

Covid-19 has threatened the lives and livelihoods of everyone. We encourage everyone to become fully vaccinated to ensure overall health and well-being in our community.

REMEMBER TO:

WASH HANDS

COVER FACE

STAY SAFE!
